

Daymap Connect

Accessing the Parent Portal

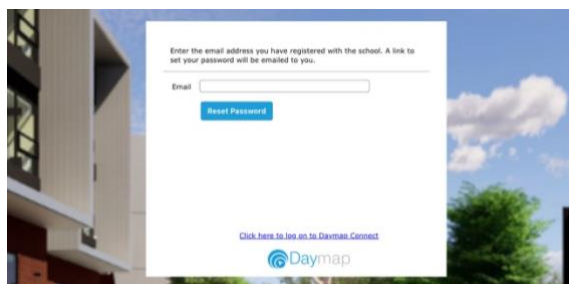

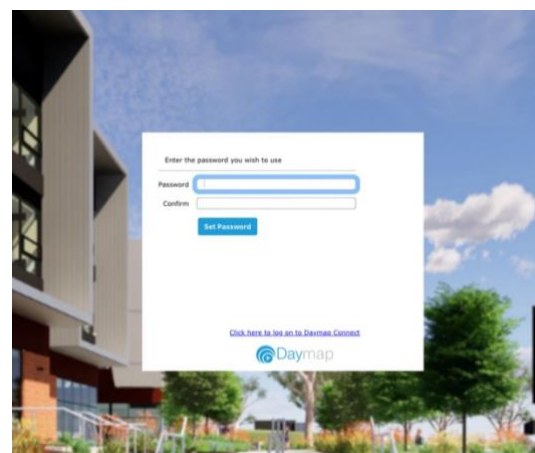

In 2024 Morialta Secondary College has transitioned to a new Learning Management System – Daymap. For families, Daymap will replace the Community Portal and Frog. Daymap Connect is an extension of the Daymap Learning Management System used by students and staff within the school context. It is a Parent Portal and combines communication and student management, by providing parents and caregivers with access to key school and student information on their child's learning behaviour, progress and performance.

Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to access details for all their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be found by following this link <https://morialtasecondarycollege.daymap.net/daymapConnect/> or accessing via the school webpage.

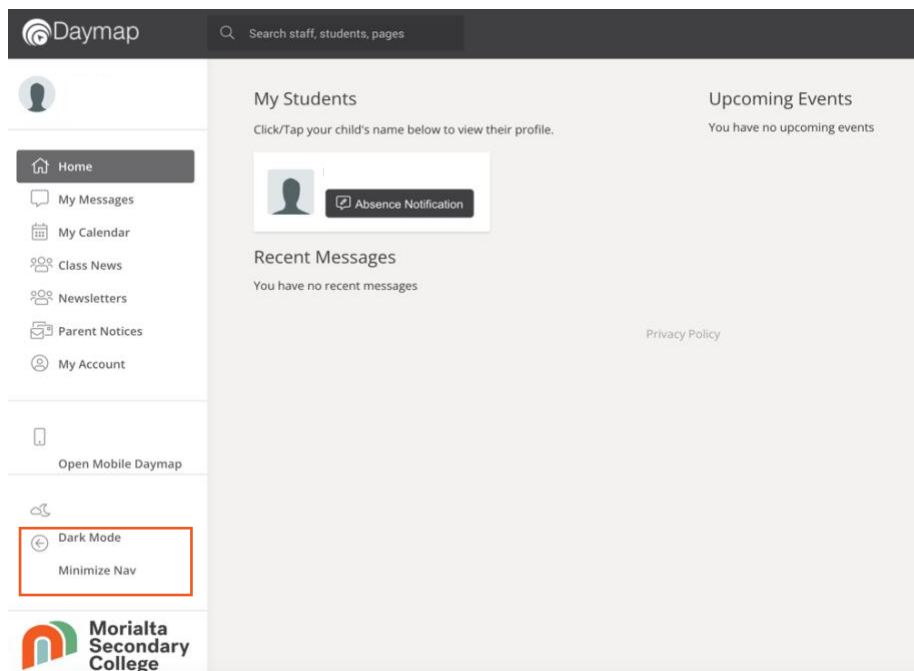

We will send a link via email, which you will follow to set up your account. Please be aware that this link is only available for a short period of time. Once expired you will need to select 'Forgot your password?' and you will be redirected to a password reset page. You will need to enter your email address that is registered at the school.

Note: Due to security reasons, Daymap is unable to assist if there is an issue with accessing your account. For assistance, please contact the college.
