Terms and Conditions for Device Use and Management

A learning device will be issued to your child and access to the Morialta Secondary College network will be granted only after the ICT User Agreement has been read, signed, and returned by the student and parent/caregiver.

Device Ownership

- The device is owned by the family from the time of issue.
- While the student is enrolled at Morialta Secondary College, the device will remain connected to the school-managed system and be managed and maintained by the college's ICT team.
- The College will apply necessary updates, security settings, and access controls to ensure a safe and effective learning environment.
- At the conclusion of the student's enrolment, the device will be reset to factory setting and management by the College will be removed.

Conditions of Use

- Use of the device on the school network is conditional on the student's enrolment at Morialta Secondary College.
- If a student leaves the College, the device will be released from the school system once all College-managed settings and data have been removed.

Device Management Requirements

- Devices must remain connected to the school-managed network for the duration of the student's enrolment.
- Once removed from school management, devices cannot be reconnected. This means the device will no longer have access to the school network, software or technical support, and cannot be used as a school device again.

Responsibility for Loss or Damage

Families are responsible for:

- The loss or theft of the device.
- Any damage not covered under AppleCare+ accidental damage protection.
